ABOUT US:

Clarkston Chiropractic was founded in 2009 and has recently opened a second clinic in Inverclyde (30 miles from Clarkston). We are seeing record numbers of patients and operating a six-week waiting list for new patients, consequently our new Associate Chiropractors will be expected to hit the ground running. In Clarkston we currently see 220 patients per week and this will increase as restrictions are reduced. In Greenock, we see around 40-50 patients over 2 days. However, opening hours will increase to 5 days per week when the new Associate(s) comes on board.

There will be plenty of support from a friendly and caring group of three Chiropractors, four Chiropractic Assistants and an Owner/Manager. We have regular face to face and online team meetings, however, members of the team are always available to offer support when and if you need it! This is supplemented by regular training and mentorship sessions for the Associates.

The training provided by the team at Clarkston Chiropractic focuses not just on Chiropractic but also on how to run the business. The Owner/Manager has successfully run 21 practices, supervised 50 CA's and 50 Chiropractors during his career.

ABOUT THE LOCATIONS:

Situated just outside of Glasgow, both Clarkston and Inverclyde benefit from all that big city life has to offer with the escape from the city itself. Clarkston and Inverclyde are 18 and 50 minutes by train from Glasgow City Centre respectively. Inverclyde is also bordered by the River Clyde, so you can take advantage of those scenic views! We also have great transport links in both locations so you can also easily visit the stunning Highlands or other major cities such as Edinburgh and Dundee.

Both Practices are based in very residential areas with untapped potential. There are very few chiropractors operating in the immediate Practice locations meaning that you will have the opportunity to grow your practice as quickly as you would like.

EQUALITY & INCLUSION:

As an equal opportunities workplace, Clarkston Chiropractic is committed to the equal treatment of all current and prospective employees and Associates and does not condone discrimination on the basis of age, disability, sex, sexual orientation, pregnancy and maternity, race or ethnicity, religion or belief, gender identity, or marriage and civil partnership.

We aspire to have a diverse and inclusive workplace and strongly encourage suitably qualified applicants from a wide range of backgrounds to apply and join Clarkston Chiropractic.

GENERAL INFORMATION:

If you are interested in hitting the ground running, an excellent remuneration package and becoming part of our incredible team, then please apply below with a cover letter and CV.
